

150 Bicycles distributed among Reproductive Health Female Volunteers

Kathmandu, 27 February 2009 – UNFPA, the United Nations Population Fund, in Nepal handed over 150 preassembled bicycles and stationery to Family Planning Association of Nepal (FPAN), donated by Japanese Organization for International Cooperation in Family Planning (JOICFP) in collaboration with the Municipal coordinating Committee for Overseas Bicycle Assistance (MCCOBA) and several Japanese municipalities.

The bicycles, accessories and stationery like notebooks, pencils and pens have been collected as a donation by JOICFP from the Municipal Coordinating Committee for Overseas Bicycle Assistance (MCCOBA) and other Japanese organizations.
